Hisashi Inoue · The Tribute Project

By Kenji Suzuki, Jinichi Isoyama and Nina Fujii

It was on 9th April, 2010 that the famous playwright Hisashi Inoue passed away at 75. He was known as a scriptwriter of the TV puppet theatre “Hyokkori Hyoutan-Jima” (televised from 1964 to 1969, NHK, in collaboration with Morihisa Yamamoto).

When the news of his death came, we wanted to pay tribute to his memory. Following deep consideration, we decided to have “the Project for the Tribute to Hisashi Inoue” and to study on his plays.
